# INTEGRATED PAYMENT PROCESSING OPTIONS
## HUEBSCH®

Huebsch® is partnered with Planet Payment, First American, as well as CleanCloud to provide a simple and secure payment-processing, seamlessly integrated with your existing Huebsch product platform. Giving your customers more payment options, including the Huebsch App and Apple Pay®, while remaining PCI-compliant has neber been easier.

# Getting Started

Review the chart below to determine which payment-processing option best fits your needs. Please note, you can have multiple selections.

## Which payment-processing option is best for you?

| | **First American** | **Planet Payment** | **CleanCloud** |
|---|---|---|---|
| **Huebsch® App** | ✚ | ✖ | ✖ |
| **Payment Center** | ✖ | ✚ | ✖ |
| **Point-of-Sale (POS) System** | ✖ | ✖ | ✚ |

# Account Creation Process

Once you have selected the best option for your customer needs, you must create an account. If you have selected more than one option, you will need to set up multiple accounts. Please use the guide below to set up all accounts based on your selection.
